Respected Member,

Greetings in the Light of Martinism!

As you receive the last of the TMO Advanced Lecture Discourses, I want to express my heartfelt congratulations to you on your completion of the Home Oratory course of study in the Traditional Martinist Order, representing many years of diligent study and meditation. We acknowledge your hard work and perseverance in completing your studies.

In recognition of this accomplishment and commitment, going forward the Grand Heptad will pay your annual dues. Of course, if you would like to continue to support the TMO with your donations, we will be very grateful. Please make these donations through your TMO Portal at <http://martinist.customerhub.net>.

As a TMO member who has completed the studies, you will continue to receive the Martinist members-only periodical the *Pantacle* annually, so please be sure to keep your contact information up to date in your TMO Portal. You are also entitled to participate in Classes and Conventicles at a local Heptad, after you have received the Martinist Temple initiation.

Participation in a Heptad has a very important benefit for your continuing Martinist learning: the discourses given in the Associate, Initiate, and SI Classes are complementary to what you have studied. Your nearest Heptad may be found at <http://www.martinistcommunity.org>.

In your own Home Oratory, I hope that you will continue your Martinist meditations and study, using the exercises in the lessons you have received and exploring further any of the many themes and authors that have been introduced to you throughout your many years of study.

At this time, I express to you the very high regard in which you are held by all of us at the Grand Heptad. We know it has not always been easy for you to stay on the Path. It takes great courage and fortitude. It also shows a love for our Order that transcends all. We honor you for this.

May you ever dwell in the Eternal Light of Divine Wisdom!

Sincerely and fraternally,

Julie Scott
Grand Master
